RODAL BL1239

DESCRIPTION

The pen with a black matte chrome recycled aluminium body is a stylish and sustainable choice for your writing needs. The recycled aluminium body not only provides durability, but also contributes to the protection of the environment by giving a second life to existing materials. With its matte chrome finish in black, this pen has a sophisticated and modern look. The matte finish gives it a touch of elegance and smoothness to the touch. High-quality blue ink provides a smooth and legible writing experience. In addition to its aesthetic appeal, this pen is also an environmentally conscious choice. Being made from recycled aluminium, you contribute to waste reduction and sustainable use of natural resources. Designed to promote your business or company, this black matt chrome recycled aluminium body pen stands out for its combination of style, functionality and eco-consciousness.
